To Whom It May Concern:

I am the Administrator of the State Housing Initiative Partnership Program and I have worked with Mike Parrish for the past three years. I have worked with many different contractors who have repaired and rehabilitated many homes in Franklin County for the SHIP Program and Mr. Parrish is one of the best I've worked with.

Mike is a Christian oriented contractor who makes a special effort to make sure the job is done to perfection and goes over and beyond what he is hired to do. Not only is his work excellent but he is a pleasure to work with.

Mike always turns in his bids for the program before the deadline and finishes the jobs in a timely manner. He is dedicated to his work, very reliable and really seems to enjoy the profession he has chosen.

I would highly recommend Mike to anyone needing a house built or for repairs whether big or small. Please feel free to contact me if you need any additional information or with any questions.

Sincerely,

  
Lori Switzer
